<p>There are over 35,000 works of art on display in 3 buildings and 4 levels in the Louvre. The galleries span approximately 15 acres. It can be overwhelming. It's literally the worlds largest museum, covering more than 10,000 years of history (starting in the 6th centry BC). Having a plan for what you want to see will make your visit much more pleasant. This list includes some of the major highlights, and, there is much more. Enjoy!</p>
